

SPRING SHOOTING CLINIC 2012 RVC

At the Game 7 Basketball Boot Camp we are concerned about giving quality teaching to players who are serious about the game. Intense instruction each day by the best coaching staff in the Metro NY area who know the game inside out. Our expert staff will drill the players in the physical and mental fundamentals of basketball.

Your season is now almost over and now is the time to improve, correct and make small changes to your shot. Do you shoot with 2 hands, do you have a slow release, are you confused why you miss long, short, left or right, are you a poor free throw shooter, do you have proper shooting technique, are you consistent when you shoot, are you a good shooter but want to get better. Whatever the case is, you will find this shooting clinic educating, eye opening and challenging.

Our staff will *demand* the best from each and every player - there is no try - there is only "DO". We will strengthen a player's physical and mental game by focusing on building the new skills they need to gain the confidence necessary to succeed on and off the court. We teach them how to practice with a purpose. Players should be prepared to work hard, watch video, take notes and practice on their own. This program is not for everyone. It's geared towards the serious player.

Enrollment is limited. This camp is for those players and parents who want serious instruction in the sport of basketball. Players will work directly with Marc Von Essen (Game 7 Founder) and other coaches including Kris Cabrera (Beyond Fitness) and Jason Fraser (Villanova Basketball). If you commit to this program, you will learn how to become a better shooter.
