

SPRING 2011 RVC

At the Game 7 Basketball Boot Camp we are concerned about giving quality teaching to players who are serious about the game. Intense instruction each day by the best coaching staff in the Metro NY area who know the game inside out. Our expert staff will drill the players in the physical and mental fundamentals of basketball.

This is not a camp to pick up a t-shirt, take a picture with a pro and win an award during a contest—this is a serious camp for serious players. No Frills. Just Skills!

Our staff will *demand* the best from each and every player - there is no try - there is only “DO”. We will strengthen a player’s physical and mental game by focusing on building the new skills they need to gain the confidence necessary to succeed on and off the court. We teach them how to practice with a purpose. Players should be prepared to work hard, watch video, take notes and practice on their own.

This program is not for everyone. It’s geared towards the serious player.

Enrollment is limited. This camp is for those players and parents who want serious instruction in the sport of basketball. Players will work directly with Marc Von Essen (Game 7 Founder) and other coaches including Brian Kuar (Holy Trinity HS) Anthony Zapelli (Speed and Agility trainer) and Jason Fraser (Villanova Basketball)
