These group workouts are for any players in grades kindergarten-3rd grade. These workouts are training sessions and the players will be taught a specific skill each session. They will also scrimmage and get game experience. The program is fine for beginners or players with some court experience. It is co-ed and players will see dramatic improvement if they practice what they are taught. We will only be playing basketball and this is for players who enjoy the game and are eager to learn. Players will learn more about basketball in these 8 weeks than they ever have before.

Please detach this enrollment form and mail along with your check to: Game 7 Sports, Inc. 29 Marvin Ave, Rockville Centre, NY 11570
